STUDENT GROUPS OF ALL AGES!

- Build personal and group confidence when problem-solving.
- Discover enhanced trust, communication, and collaboration.
- Feel the thrill of accomplishment while climbing a selection of 6 aerial trails ideal for beginners and experts.
- Strengthen group relationships while overcoming barriers.
- Push personal limits while using always-locked-on climbing gear.
- Enjoy physical activity and discover a life-time sport.
- See nature from a new perspective - up to 55ft above the forest floor.
- Enhance an appreciation for the natural world.
- Create life-long memories and friendships.

INTERESTED IN A TEAM DEVELOPMENT PROGRAM?

- Maximize the outcome of your visit by scheduling a 30 - 90 minute program with expert facilitators.
- Ask us to target your program to meet your specific objectives.

"Everything was amazing from the beginning to the end. The staff was super helpful and fun to work with. The way that TreeTrails worked to prepare our students and make sure they were safe was fantastic. They were patient and encouraging. The course options were incredible. Every student was challenged at their own personal level and they didn't want the time to end. I highly recommend TreeTrails for your next fun adventure." — Kathryn K.
